

Children's Spring/ Summer Clothing and Toy Sale Guidelines and Rules

Beaverdam Christian School is hosting a sale of quality used children's spring and summer clothing. Good used toys, games, books, bicycles, puzzles, and baby items such as car seats swings, cribs, etc. will also be included.

Check through the clothes in your children's closets. Please make sure clothes are clean, unstained, and in good condition. Pin two piece outfits together. If you have toys with more than one piece, please place pieces in a Ziploc bag and tape or staple it shut, also tape the bag to the larger toy it belongs to (i.e.: kitchen sets w/ dishes, barns w/ small animals). Also, if you have board puzzles please place in a Ziploc bag to avoid lost pieces.

Call Candi Brower at 875-7433 for your "seller number". Label your items with **masking tape** (no other stickers or tape). On each label include: (1) your seller number, circled, (2) the price (3) the size - see description at the bottom of this page. Please price your items with no less than 25 cent increments. We will not be responsible for items not labeled as described above. We will not be able to sell items without tags.

Please bring your items to school on Friday evening from 3:00 - 6:00p.m. If you are unable to bring items on Friday evening, please call Robin or Candi to make other arrangements.

All items must be placed by the seller on the appropriate tables or racks (clothing will be separated by size and gender). After the sale is done, any unsold items may be picked up between 12:30 and 1:00. If you leave a box or laundry basket with your seller number on it, we will try to begin to box up the leftover items. Payment for the items sold will be distributed to you within the week following the sale, less 30% which goes to Beaverdam Christian School. If you would like to donate more than 30% please let Robin or Candi know. Any remaining items will be donated to charity.
